

SPORTS TEAM ROSTER FOR THE GLENGARRY NEWS

Ensuring your team is covered well in the newspaper

You can help *The Glengarry News* provide coverage of your sports team by providing a roster that includes the correctly spelled name, number, and position of each player, along with any statistical details you may wish to share. The latter can be particularly useful in creating stronger stories for midget/junior/senior teams. Also, for regional teams that draw players from the county, but also include players from other areas, we ask you to supply the hometowns at least for those players from Glengarry.

Submit your roster and any updates through the season to Sports Editor Sean Bray by e-mail to sports@glengarrynews.ca or fax to 613-525-3824 or mail to The Glengarry News, 3 Main Street South, Box 10, Alexandria, Ontario K0C 1A0.
